3 Brightness Levels

The Neno Shine night light is the perfect companion at bedtime. Three adjustable brightness levels (100%, 50%, and 25%) let you tailor the light to your baby's needs, creating a cozy and peaceful atmosphere.

11 Lighting Modes

The light doesn't have to stay constant. With 11 lighting modes, Neno Shine gives you full control over the mood in your child's room — from steady, uniform illumination to gentle pulsation that softly fills the space, helping your little one feel safe and calm.

Touch Control

Neno Shine is intuitively easy to use. A gentle tap on the surface is all it takes to fill the room with warm, soothing colors — the perfect setting for rest and sleep.

USB-C Charging

Convenience and modern functionality are at the heart of Neno Shine. Thanks to USB-C charging, there's no need to worry about cable compatibility. Fast and safe charging delivers up to 4.5 hours of continuous operation at the highest brightness level.

the lamp operates for a long time on a single charge

Wireless Design

Neno Shine combines practical features with modern design and simple operation. Its wireless build makes it easy to move the lamp wherever it's needed — beside the crib or on the sofa.

A Star from the Sky

Neno Shine is your baby's very own star — charming and full of character.
Its unique star shape with a friendly smile and smooth, delicate surface
makes it not only a functional part of the nursery, but also a delightful
decoration that brings a fairytale feel to the room.
